PROFESSIONAL SUMMARY

Front-End Web Developer passionate about transforming ideas into elegant, responsive, and user-focused web experiences. Graduate of the ALX Front-End Web Development Program, skilled in React, Tailwind CSS, and JavaScript. Motivated to grow within a dynamic tech team, contribute to innovative projects, and deliver high-quality digital solutions.

TECHNICAL SKILLS

• Languages: HTML5, CSS3, JavaScript (ES6+), TypeScript (beginner)

• Frameworks & Libraries: React.js, Next.js, Tailwind CSS, Formik, Yup

• Tools & Platforms: Git, GitHub, VS Code, Figma, EmailJS

• Core Strengths: Responsive Design, API Integration, Debugging, Cross-Browser Compatibility

EDUCATION & TRAINING

ALX Africa – Front-End Web Development Program (Graduated: 2025)

- Mastered modern front-end technologies and frameworks.

- Built interactive and accessible web projects following UI/UX principles.

- Developed teamwork and problem-solving skills through project-based learning.

ALX Africa – Professional Foundation Program (2025)

- Gained professional development skills for the digital age.

- Built a strong foundation in communication, collaboration, and problem-solving.

PROJECTS

Service Finder App

- Developed a React-based platform for discovering local service providers (e.g., plumbers, electricians).

- Implemented search filters, responsive layouts, and form validation using Formik + Yup.

- Integrated EmailJS for contact form automation.

- Tech Stack: React, Tailwind CSS, Formik, EmailJS

Weather App

- Created a weather app that fetches live data from the OpenWeather API.

- Displayed temperature, humidity, and conditions dynamically using async JavaScript.

- Designed with a minimalist and responsive interface using Tailwind CSS.
- Tech Stack: HTML, CSS, JavaScript, OpenWeather API

CERTIFICATIONS

• Front-End Web Development Certificate – ALX Africa (2025)

• Professional Foundation Certificate – ALX Africa (2025)

SOFT SKILLS

• Creative Problem Solving – Skilled at analyzing design challenges and finding innovative UI solutions.

• Collaboration – Thrives in teamwork, agile workflows, and remote coordination.

• Adaptability – Quick to learn new tools, frameworks, and design trends.

• Attention to Detail – Focused on delivering pixel-perfect, clean, and efficient code.

• Continuous Learning – Passionate about upskilling and keeping up with front-end innovations.

• Communication – Clear, professional, and user-centered approach in cross-functional collaboration.
